Sponsorship Opportunities

You can support leadership development in our community through sponsorship of Leadership Skagit, a program of EDASC in partnership with Skagit Valley College.

In its 20+ year history, the program has positively impacted Skagit County through:

- more than 100 team projects benefitting 73 Skagit County organizations;
- 658 graduates, with a large percentage of those individuals still working or volunteering in the community;
- graduates elected to public office, leading nonprofit organizations and starting businesses that create jobs in the county.

It costs approximately $5,000 per participant to cover program expenses. To keep tuition attainable for as many individuals as possible, tuition ranges from $2,900-$3,500 per participant, meaning we need your support to close that gap.

Your sponsorship helps us provide a uniquely Skagit experience, including meeting venues throughout the county, catering supplied by local businesses, and books purchased

Your sponsorship helps support the development of homegrown leaders.

See sponsorship tiers on the opposite page.

Sponsorship Opportunities
2027-28 progam year
